A review is substantially less in scope than an audit conducted in accordance with Standards on auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in all material aspects in accordance with the applicable Indian Accounting Standard prescribed under Section 133 of the Companies Act, 2013 and other accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in term of Regulation 33 of the listing Regulations as amended from time to time, including the manner in which it is to be disclosed, or that it contains any material misstatement
